

AEROGRAPHER'S MATE

RATING ROADMAP

October 2011

CAREER ROADMAP

Airman Recruit to Master Chief Roadmaps

The educational roadmap below will assist Sailors in the Aerographer's Mate (AG) community through the process of pursuing professional development and advanced education using various military and civilian resources e.g. PQS program; SMART Transcript; NKO (E-Learning); Navy College; etc. Successful leadership is the key to military readiness and will always require a high degree of technical skill, professional knowledge, and intellectual development.

What is a Career Roadmap for Aerographer's Mate?

Aerographer's Mate roadmaps are just what the name implies - a roadmap through the Enlisted Learning and Development Continuum from Airman Recruit through Master Chief. The principal focus is to standardize a program Navywide by featuring the existing skills of Aerographer's Mates necessary to be successful in the Navy. The ultimate goal of a roadmap is to produce a functional and competent AG.

What is the Enlisted Learning and Development Continuum?

Enlisted Learning and Development Continuum is the formal title given to the curriculum and process building on the foundation of Sailorization beginning in our Delayed Entry Program through Recruit Training Command and throughout your entire career. The continuum combines skill training, professional education, well-rounded assignments, and voluntary education. As you progress through your career, early-on skill training diminishes while professional military education gradually increases. Experience is the ever-present constant determining the rate at which a Sailor trades skill training for professional development.

Do Sailors have to follow the Roadmap?

Yes. The Aerographer's Mate roadmap includes the four areas encompassed by the Continuum in Professional Military Education to include; Navy Professional Military Education, Joint Professional Education, Leadership and Advanced Education.

Some training and education is mandatory (Recruit Training, Aerographer's Mate "A" and "C" Schools located at Keesler AFB in Biloxi, MS and NKO (E-Learning, etc...)). Some may be directed by your chain of command (Microsoft Excel and PowerPoint courses), and the remainder is voluntary (NKO, E-Learning, college courses, etc.). Sailors are advised to seek out mentors, including your Command Master Chief, Senior Enlisted Advisor, Leading Chief Petty Officer, Leading Petty Officer and Command Career Counselor, and to make use of your Base Navy College or Education Office vast resources. All are uniquely qualified to help you along the way.

United States Navy Ethos

We are the United States Navy, our Nation's sea power – ready guardians of peace, victorious in war.

We are professional Sailors and Civilians – a diverse and agile force exemplifying the highest standards of service to our Nation, at home and abroad, at sea and ashore.

Integrity is the foundation of our conduct; respect for others is fundamental to our character; decisive leadership is crucial to our success.

We are a team, disciplined and well-prepared, committed to mission accomplishment. We do not waver in our dedication and accountability to our Shipmates and families.

We are patriots, forged by the Navy's core values of Honor, Courage and Commitment. In times of war and peace, our actions reflect our proud heritage and tradition.

We defend our Nation and prevail in the face of adversity with strength, determination, and dignity.

We are the United States Navy.

The Sailor's Creed

I am a United States Sailor.

I will support and defend the Constitution of the United States of America and I will obey the orders of those appointed over me.

I represent the fighting spirit of the Navy and those who have gone before me to defend freedom and democracy around the world.

I proudly serve my country's Navy combat team with Honor, Courage and Commitment.

I am committed to excellence and the fair treatment of all.

**AEROGRAPHER'S MATE CHIEF PETTY OFFICER
(Master)**

NAME _____

SKILL TRAINING

(Schools, courses and assignments directly related to occupation)

REQUIRED SKILL TRAINING

Course Title	Course Location	CIN/CSE ID	Course Length	Date Completed
Aerographer's Mate class C1 School, NEC 7412	CNATTU, Keesler AFB Biloxi, MS	C-420-2011	215 Calendar days

JOB DESCRIPTION

Meteorological Forecasters

Meteorological Forecasters analyze elements of the atmospheric environment and land/sea interface to forecast on Synoptic, Meso, and Micro scales and produce forecasts and warnings in support of naval operations and missions. Predict and assess the elements of the physical environment (Land/Sea/Air/Space) that affect both friendly and enemy platforms, sensors and weapon system performance, safety of flight and navigation, and naval/joint operations and missions. Characterize the operating environment and recommend courses of action to enhance the war fighters' ability to exploit the physical environment for successful mission accomplishment. Create climatological studies supporting naval warfare planning. Demonstrate expertise in Strike Warfare (STW), Expeditionary Warfare (EXW), and Geospatial Information Systems (GIS), datum issues, and Tactical Decision Aids (TDA) (atmospheric/electro-optic/electromagnetic). Synthesize a vast array of meteorological data including Numerical Prediction Models and TDAs. Distribute data internally and externally to aircraft, ships, and shore activities via communication devices/web-centric architecture.

Oceanographic Forecasters

Oceanographic Forecasters analyze elements of the oceanographic environment and land/sea interface to forecast on Synoptic, Meso, and Micro scales and produce oceanographic forecasts in support of naval operations and missions. Predict and assess the elements of the littoral regions, ocean and ocean floor environment that affect both friendly and enemy platforms, sensors, and weapon system performance, and naval/joint operations and missions. Characterize the operating environment and recommend courses of action to enhance the war fighters' ability to exploit the ocean environment for successful mission accomplishment. Create oceanographic climatological studies supporting naval warfare planning. Demonstrate expertise in Naval Special Warfare (NSW), Mine Warfare (MIW) and countermeasures, Surface Warfare (SUW), Undersea Warfare (USW), Geospatial Information Systems (GIS), Tactical Decision Aids (TDA) (physical properties/acoustic/electro-optic/electromagnetic), datum issues, and littoral environments. Synthesize a vast array of oceanographic data including Numerical Prediction Models and Tactical Decision Aids. Distribute data internally and externally to aircraft, ships, and shore activities via communication devices/web-centric architecture.

Meteorological Oceanographic Managers

Meteorological Oceanographic Managers ensure the operational effectiveness of a meteorological/oceanographic (METOC) unit through effective leadership of personnel and management of assets. Serve as the liaison with METOC customers to determine support requirements and provide the most relevant products for operational and mission success. Provide tactical recommendations to Warfare Commanders and Flag Officers. Function as the liaison with DOD/government agencies with METOC responsibilities to leverage operational products and training for mutual benefit and efficiencies. Responsible for METOC unit quality control and environmental impact metrics programs. Manage METOC programs and resources. Develop solutions to meet METOC equipment acquisitions and training programs. Advise senior METOC officers on command/staff management. Coordinate with enlisted distribution and community managers to meet METOC manpower requirements and resolve personnel issues. Train, supervise, and mentor METOC personnel to increase forecasting skills.

RECOMMENDED BILLET ASSIGNMENTS

As a Meteorological / Oceanographic Forecaster and METOC Manager, billet assignments range across both sea and shore type duty. Sea duty you can expect to serve within one of the Strike Group Oceanography Teams, Mobile Environmental Teams and serve onboard Aircraft Carriers (CVN), Amphibious Assault Ships (LHD/LHA) or other fleet assets in conjunction with assignments to Expeditionary Warfare, Undersea Warfare, Mine Warfare and Fleet Survey Teams. Shore duty assignments will encompass serving on a Staff, a Training Command, Regional Forecasting Centers or supporting detachments, Fleet Numerical Meteorology and Oceanography Center, and the Naval Meteorology and Oceanography Professional Development Center.

Other Opportunities:

Joint Assignments
GWOT Support Assignments
Recruiter
Career Counselor
RDC
Instructor
DAPA
CACO
Fleet Liaison and Staff support

SELECTION BOARD CHECK LIST FOR CPO PROMOTION TO SCPO

Step 1 - Review your Official Record to see what documentation, qualifications, etc. may be missing or requiring an update. This should be accomplished every six months after promotion to Second Class. However, it is imperative that this is accomplished six months prior to a selection board. Check the following three major sections to verify your Official Record:

a) **BUPERS Online** BUPERS Online (<https://www.bol.navy.mil>) is your main tool for board preparation and helps you to be proactive in making the most of your promotion opportunity. You should review your;

1) **Official Military Personnel File (OMPF):** All active duty and reserve personnel having a BOL account, a CAC (with appropriate certificates) and a CAC-enabled computer can now view their OMPF online by selecting the OMPF option on the BOL main menu page. This is the preferred method of obtaining OMPF information to eliminate the unnecessary time-lags caused by waiting days or weeks to receive a requested CD ROM.

2) **If Deployed:** Click on “**Request Record on CD**” to order your Official Military Personnel File (OMPF). This must be accomplished four to six months before a board convenes, which will allow time for delivery and updating of your record if required.

3) Check your **Performance Summary Record (PSR)** and **Enlisted Summary Record (ESR)** on <https://www.bol.navy.mil> click on “ODC, OSR, PSR, ESR” link

b) **Electronic Service Record (ESR)** Self-Service ESR: This can be viewed at (<https://nsips.nmci.navy.mil>) or on the Navy Standard Integrated Personnel System (NSIPS) ESR server onboard ship.

c) **Electronic Training Jacket (ETJ)** Log-on to Navy Knowledge Online (NKO) and review your entire ETJ making sure that each section is correct. If not click on "Data Problems" on bottom of each page which will guide you on how to make corrections or updates.

Step 2 – Submit appropriate missing documents to the selection board.

a) Selection board packages provide candidates the opportunity to submit any documents missing from the sections of their records which are viewed by the selection boards. MILPERSMAN 1070-080 specifies which documents from the enlisted permanent personnel record are provided to the selection board for review. Any documents the member has verified as missing from those sections of their permanent personnel record may be submitted as a selection board package.

b) For submissions directly to the board and for those circumstances where the eligible candidate cannot get their official record updated and confirmed prior to the selection board convening date:

1. All correspondence should be on plain white paper for readability; paper clipped (no staples, binders, folders, or tabs) and submitted under cover letter to the president of the board. Candidates must verify the correct subject line and board number (see below) is on their cover letters to ensure their packages appear before the proper board.

2. Correspondence must include your Full name and SSN, must be affixed and legible on all documents submitted, and must be postmarked not later than that date listed in the associated NAVADMIN and addressed to:

NAVY PERSONNEL COMMAND CUSTOMER SERVICE CENTER
PRESIDENT
FY-XX ACTIVE/RESERVE E8 ENLISTED SELECTION BOARD #XXX
5640 TICONDEROGA LOOP BLDG 768 RM E302
MILLINGTON TN 38055
(Active = 235 / SELRES =205 / FTS = 206)

(Use of special handling mail (certified or registered) is not advised due to significant delays in handling.)

c) Ensure official record reflects any individual augmentation mission. (awards, evals, NEC, etc).

d) Check (<http://www.npc.navy.mil/Boards/ActiveDutyEnlisted/GeneralInformation.htm>) to verify that the selection board has received your correspondence (if sent).

NOTE: It is highly recommended that if corrections or updates are made, review your OMPF, or if Deployed, re-order your CD-Rom to confirm changes. (NOTE: Please allow 60 days for changes to take effect)

Step 3 - After reviewing your service record - such as evaluations, awards, qualifications, etc. - start reviewing what you can do to improve yourself, such as:

- a) Request a **Career Development Board (CDB)** through your chain of command.
- b) Take a good, hard look at the type of **Collateral Duties** you are assigned. Review your command collateral duties instruction and talk with your COC and / or appear before the CDB. Take the tough command duties that provide the most involvement in the command as a whole and that have direct sailor support.
- c) Review your current level of education to see how far along you are in earning a **college degree** and pursue **non-resident Navy courses** to expand your level of knowledge. Complete the **Navy e-Learning courses** on **NKO** that are recommended in this document.
- d) Check out **OTHER Learning Opportunities** to add to your service record, such as the CANTRAC Volume I (Training Facilities) and CANTRAC Volume II (Course Descriptions). NKO at Learning > Learning Opportunities

Step 4 - Review qualifications that your rating values or requires for advancement and create a plan to earn these important pieces in the professional growth and advancement puzzle. Read the applicable NAVADMIN for additional dates and information, and review previous selection board precepts

NAVY PROFESSIONAL READING PROGRAM:

The purpose of the Navy Reading Program is to facilitate the professional and personal development of all sailors, seaman to admiral, active and reserve. Simply reading for pleasure is certainly encouraged, but the NPRP will facilitate reading material that may help develop skills and abilities that can be helpful in both your professional and personal lives.
